Important Reminder about hospitality hour:

Next week the kids will snack & socialize during their RE class. If your child likes to visit the adult coffee hour, please keep follow these guidelines:

- **Children under age 12 *must* stay with our teachers until their parents arrive.**
- **Youth over age 12 may visit the adult coffee hour, if given parental permission.**
- ***Unless they are 16 or older,* youth *must* have adult supervision when visiting coffee hour.**
- **Please for the safety & fairness of our kids keep those goodies (& the plates on which they are served) inside!**

Shoes That Fit!

Throughout the month of July…
RE collected donations for the "Shoes That Fit" program.

The shoes were purchased and delivered so that the children could wear them on their first day of school. Thanks to Joyce Nelson , Terri Kolaska, & Tonia Dunham for managing our donations! Thanks to kids & parents who made donations to support he program :)

For now,

check out the herb garden from summer camp. You will find it just outside RE on the west end of the bldg. It's very green and flourishing... thanks to the kids' green thumbs, and a whole lot of watering by Terri & Ed Kolaska and Ron Watkins! Thank UU!
