Unitarian Universalist Society of the Daytona Beach Area

Volume I Issue 11

October 3, 2008

In celebration of our recent children's dedication ceremony, the RE families have been invited to a RE family swim at Dottie & E.D.'s home

Who: Friends & families of RE

What: RE Pool Party & RE Planning Session

Where: Dottie & E.D.'s house

When: Saturday, October 11, from 10 am until noon

Why: To enjoy time together in a recreational setting & plan for RE

How: Dress the kids in swim suits & sunscreen. Bring towels & water bottles.

We'll provide an icy cold treat... and adults to keep an eye on the kids from 10:30-11:30. During that hour we will meet to share ideas on RE Sundays and plan for special upcoming events, i.e. the pumpkin carving, campouts, organic gardening, etc.

If you have children in our RE program, are a new member of our UU community, or are you young in spirit and willing to contribute ideas to make our church community more "KID-friendly", please join us. Just RSVP to Debbie Johnson at dbeckjohnson@earthlink.net or call 386-956-4444. We welcome your participation. This is a great chance for us to build community through collaboration... and recreation.
