

# R.E. Sunday School Press

Unitarian Universalist Society of the Daytona Beach Area

Volume I Issue 13

November 23, 2008

A few UNICEF boxes were turned in after our initial donations... bringing our grand total to \$227.22!! Thanks to everyone's for your support :)

Each year on the Sunday before Thanksgiving many friends and families in congregations across the US participate in the UU tradition of Guest at Your Table. This will be our third consecutive year of participation beginning today!

Each participant takes a Guest at Your Table box home and places it in a prominent spot, often at the family meal table. When family and friends gather to enjoy their blessings, they can reflect on them and then give generously to a "guest" in need. Collection boxes and all donations are due back to RE by January 4, 2009. To find out more about this program, please see the Jotter at [www.uuormond.net](http://www.uuormond.net) or the UU Service Committee at [www.uusc.org](http://www.uusc.org). Thanks for your continued support of our efforts!

## [Green Team/ RE Connect Group](#)

Please join us after the service today...

As Kurtland Davies leads our parents in the first session of "Healthy Children-Healthy Planet". Our goal is to bring RE folks together, so that we may learn from the materials and our discussions, and help assure that "No Child Is Left Inside". In today's world of electronics kids are spending much less time outdoors in touch with nature. While we all agree as UU's that we should teach kids to respect our planet and the interconnectedness of all its inhabitants, we often are too busy to contemplate just how we can get them outside more! We are looking forward to discussing how we can get our kids more involved in the outdoor activities both at UU and at home.

## [Green Sanctuary & RE lead Sunday Service](#)

Next week (11/30) the kids will be in the sanctuary for a Green Team presentation. Those who are under age 6 will leave for the RE classrooms after the Story for All Ages. The older children will stay through the service and help with the "10 tree challenge" near the end.

Afterwards everyone is invited to meet on the kids playground for a fun activity and special snack. The kids will be painting garden pavers... and we will be serving yummy "dirt cups" (chocolate pudding, gummy worms, and Oreo cookies. This is in celebration of our recently planted garden... and not the usual snack! It'll be back to crackers and such next week!!

Note: Please dress your children in comfortable clothing... we will surely be messy as we paint, make gooey dirt cups and dig in the soil by our garden!

## [Tapestry of Faith](#)

Sunday, November 23rd

### [Guest At Your Table](#)

(Stay tuned for more info. later this month)

Sunday, November 30th

### [Kids in service with Green Sanctuary Team](#)

TODAY:

Sunday, November 23rd

### [Green Team/ RE](#)
