

R.E. Sunday School Press

Unitarian Universalist Society of the Daytona Beach Area

Volume I Issue 3

March 21, 2008

Once again, welcome to the world of RE... This publication has been created to assist you & your busy family!

Please let us know:

- *how we can serve you*
- *how you would like to help us*

Together we can make great things happen in RE! Enjoy :)

On **Sunday, March 23rd** the RE children will be enjoying their time together with some hands-on fun!! **We will have two stations set up:**

- **Egg Dying** will take place in room #3.
- No need to worry if your child wears their Sunday best because we have over size t-shirts for use as art smocks!

- **Solar Oven Construction** in room #2
- We will use pizza boxes, tinfoil & black paper
- Adults will assist with the cutting of the box lids
- Kids get to display them at our Solar Dedication on 3/30 & then take them home to keep

Green Sanctuary
Sunday Service
-Kids participate
Dedication of our
Solar Panels
-Plan to stay 'til 1 pm

On **Sunday, March 30th** RE kids will be part of the **Sunday Service: "It's Easy To Be Green"**. The kids will share their Earth Pledge, sing a song with the congregation, and help lead a special mini-sermon regarding repair of our world. This service is part of our Green Sanctuary action plan. The RE kids participation is an important part of this plan. Our Society has applied for the UUMFE's (UU Ministry For the Earth) Green Sanctuary designation & the RE families have an opportunity to help make it happen!

Please plan to come at 10 am so that we may help the children prepare for the service. Also, plan to stay until about 1 pm for the dedication of our solar panels following the Sunday service. There will be a yummy foods to eat & your children will have a chance to visit a solar playhouse and ride on a solar golf cart. Both will be provided by SolarFit.

Please reserve
Saturday, April 19th
for Earth Day at
Washington Oaks

Thanks to all who have brought aluminum cans in the past. We appreciate your donations. **Please bring as many cans as you can this month.** We are planning a garden for the kids, and hope to use the cash from recycling to cover the cost. Ron Watkins & Kurtland Davies are busy building a raised bed to get us started. Thanks to them as well!

Thanks also to Tonia Dunham for her help at the Rummage Sale! It was fun to assist & spend time together :)

Please email me with any questions or comments.
RSVPs for events are also appreciated :)
