

R.E. Sunday School Press

Unitarian Universalist Society of the Daytona Beach Area

Volume I Issue 5

April 27, 2008

Once again, welcome to the world of RE... This publication has been created to assist you & your busy family!

Please let us know:

- *how we can serve you*
- *how you would like to help us*

Together we can make great things happen in RE! Enjoy :)

On Sunday May 4th, you are invited to a RE Parent Meeting and your child is invited to visit Hospitality Hour with an adult "Special Pal". Kids will be paired with an adult UU who escorts them to the refreshment table. The intention is that the kids learn "how to" serve themselves, and then sit quietly with their Pals to visit. After visiting the Pals will show the kids "how to" clean up after themselves and then escort them back to the RE playground (weather permitting). Supervision will be provided by a few familiar UU faces until the RE parents meeting closes no later than 12:30. **Please plan to attend as we will be discussing the end of the year plans & UU Summer Day Camp! Please RSVP ASAP so that I may pair your children with adult "Special Pals" :)**

This Mothers' Day we will be part of a celebration honoring a famous UU, Julia Ward Howe. Please join us as we help restore the holiday to her original intent: A day to promote peace & speak out against war!

Here is what we have planned for RE friends & families:

- kids visit service for Pastor Bud's "Story For All Ages"
- kids draw messages on the sidewalk w/ chalk for their moms
- kids make prayer flags w/ messages of peace the week before & hang them from the railings in front of UU that day
- all of us enjoy simple buffet of fruit, cheese & crackers & desserts
- we all stand for Peace at 1 pm & then leave...
