Camp Creative UU

Soon our children & youth will spend a week creating a kid-made-movie at our second annual Camp Creative UU.

Two teams of kids will take on a challenge, and work through it in a creative & unique manner. Older kids in the group will videotape and scrapbook as they "score" their work.. Adult volunteers who share a passion for a creative approach to life will share their ideas through many forms of artistic expression. The program will take place June 30-July 4 with a Special Presentation on July 4th... please mark your calendars for this special event:
