Camp Eco-Action, July 7-10, 2009

The goal of this summer camp is two-fold. First of all, we support the initiative to "leave no child inside". Secondly, we hope to motivate children to take action. Our program is possible because we have many volunteers who truly value our earth and all of its inhabitants. Your children's natural sense of wonder will strengthen as unite them with Mother Nature's gifts. The daily focus will include caring for our planet by recycling and reducing consumption, as well as conservation and preservation of our natural resources.

*Special Event: Soup & Sandwich, Sunday, July 12th, 12 noon
The Camp Presentation will take place during our Story for All Ages with the Galleria after the service. Campers will make Stone Soup & sandwiches and serve them to the congregation as they collect pennies for peace.*

Camp Creative UU, August 4-7, 2009

We invite your child(ren) to spend a week creating and planning for a "kids-led" UU Coffee House. Kids will spend the week developing their own creative piece for the event, as well as preparing for their role as hosts. A few of the oldest kids will videotape the coffee house event. Others will photograph & scrapbook throughout the week as they prepare. Adult volunteers who share a passion for a creative approach to life will share their ideas throughout the week using many forms of artistic expression. The program will culminate in a special Galleria & brief PowerPoint Presentation which will reflect the week's activities. This special event will be hosted by campers. Family and friends should plan to attend.

*Special Event: UU Coffee House on Friday, August 7th, 6:30 pm
