## Egg Dyeing, Sunday 3/28 & Friendly Food Can Hunt, Sunday 4/4

In recognition of Easter Sunday and the approaching season of Spring, we are planning to dye eggs in RE class. Also, in lieu of hiding eggs, **we plan to hide canned/dry foods and then donate them to Halifax Urban Ministries.**

**Please plan to bring a small donation of two or three food items and leave them in the RE classrooms or the sanctuary before the service. We will use them for a fun activity and then donate them to this worthy cause.**

## RE supports victims of the earthquakes

Did you know that our RE kids are following in your footsteps? Not only did they add \$21.26 to the UUS bake sales, etc. to benefit Haiti, but they also initiated the sale of hot cocoa during hospitality hour to benefit Chile. Putting their **Faith into Action** they have sent the donations to UNICEF on behalf of the children there.

## Toolbox of Faith

You may have wondered...

What do a ruler, magnifying glass, and compass have to do with UU?

As many of you are aware, throughout 2010 our RE children and youth are exploring many aspects of UU faith, and then they are relating these qualities to tools that we use. Each month Pastor Bud introduces a tool and the RE children use it to develop a toolbox of faith. This month Pastor Bud shared the compass, and his story for all ages illustrated integrity. Next month... Duct tape!

## Please note these upcoming Special Events:
